

Slim 2020AF

2.0 Mega Pixel Web Camera with Auto Focus

Genius introduces a 2.0 mega pixel webcam with a motorized auto focus, Slim 2020AF. This webcam has a built-in microphone, great for instant video and voice chats for Skype, MSN Messenger, Yahoo Messenger and AIM. Other advanced functions include sharp picture quality in low-light, a stable clip for LCD panel or Notebook, 360° swivel and USB 2.0 high speed data transmission.

In addition, the software bundled contains the Genius application WebMate for image editing, CrazyTalk Avatar Creator for creating animated characters from still images and CrazyTalk Cam Suite for changing talking avatars and facial expressions or adding face accessories.

Installation is easy and no driver is required. Contact your sales representative for more details.
